Custom (optional) fields for course settings

The screenshot shows the Moodle 3.7 interface for managing course custom fields. The page title is "Moodle 3.7" and the breadcrumb trail is "Dashboard / Site administration / Courses / Course custom fields". A "Blocks editing on" button is visible in the top right. The main content area is titled "Course custom fields" and contains a section for "Other fields" with a plus icon, edit icon, and trash icon. Below this is a table with columns "Custom field", "Short name", and "Type". The table is currently empty, displaying the message "There are no fields in this category". A dropdown menu is open, showing options: "Add a new category", "Checkbox", "Date and time", "Dropdown menu", "Text area", and "Text field". To the right of the main content is a sidebar with "Admin bookmarks" and a "Bookmark this page" link.

Course custom fields

The screenshot shows the Moodle 3.7 interface for editing course custom fields. The page title is "Moodle 3.7" and the breadcrumb trail is "Dashboard / Site administration / Courses / Course custom fields / Updating Carga-horária". The user is logged in as "Admin User".

The main heading is "Updating Carga-horária". Under the "Common settings" section, there are three fields:

- Name:** A text input field containing "Carga-horária".
- Short name:** A text input field containing "cargahoraria".
- Description:** A rich text editor with a toolbar containing icons for undo, redo, bold, italic, list, link, unlink, insert image, insert video, insert audio, insert page, and insert link.

On the right side, there is a sidebar with "Admin bookmarks" and a link to "Bookmark this page". A "Collapse all" button is also visible.

Course custom fields

The screenshot shows the Moodle course settings page for a course titled '3.7'. The page is viewed from the perspective of an 'Admin User'. The main content area is titled 'Image (PNG) .png'. A sidebar on the left contains a list of settings categories: Course format, Appearance, Files and uploads, Completion tracking, Groups, Role renaming, and Tags. The 'Other fields' category is expanded, showing two custom fields: 'Carga-horária' with an empty text input field, and 'Modalidade' with a dropdown menu currently set to 'Presencial'. At the bottom of the form are two buttons: 'Save and display' and 'Cancel'. A message at the bottom of the form states: 'There are required fields in this form marked [red dot icon]'.

Course custom fields

The screenshot shows the Moodle 3.7 interface. On the left is a navigation menu with items: Dashboard, Site home, Calendar, Private files, My courses, and Site administration. The main content area is titled 'Moodle 3.7' and shows search results for 'Curso'. The search path is 'Dashboard / Courses / Search / Curso'. A 'Manage courses' button is visible. The search results show 'Search results: 1' and a single result: 'Curso presencial Teste 1'. Below the title, it lists 'Carga-horária: 40 horas' and 'Modalidade: Presencial'. The category is 'Graduação'. At the bottom of the search results, there is a search input field containing 'Curso' and a 'Go' button. The footer contains a link to 'Moodle Docs for this page', the user information 'You are logged in as Admin User (Log out)', and links for 'Home' and 'Data retention summary'.

Course custom fields

The screenshot shows the Moodle interface for a course. On the left is a navigation sidebar with a menu icon and the course ID '3.7'. The sidebar contains links for 'CPT1', 'Participants', 'Badges', 'Competencies', 'Grades', 'General', 'Topic 1', 'Topic 2', 'Topic 3', 'Topic 4', 'Dashboard', 'Site home', 'Calendar', 'Private files', and 'My courses'. The main content area is titled 'Curso presencial Teste 1' and includes a breadcrumb trail: 'Dashboard / Courses / Graduação / CPT1 / Enrolment options'. Below the title, the course name is repeated with a small icon. The course details are: 'Carga-horária: 40 horas' and 'Modalidade: Presencial'. A message states 'You can not enrol yourself in this course.' with a blue 'Continue' button. At the bottom, there is a footer with a link to 'Moodle Docs for this page', the user information 'You are logged in as Admin User (Log out)', and two links: 'CPT1' and 'Data retention summary'.

Display course category in course overview block

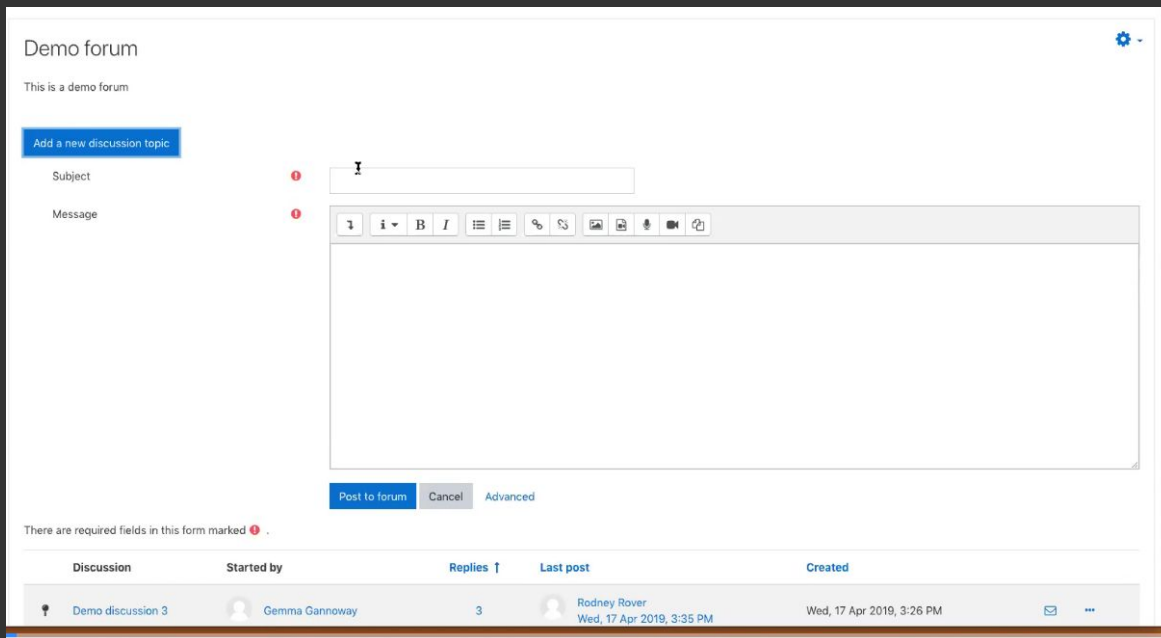

The screenshot displays the Moodle course overview page for a user named Admin User. The page is divided into several sections:

- Dashboard:** A sidebar on the left with navigation links: Site home, Calendar, Private files, My courses, and Site administration.
- Recently accessed courses:** A section showing two course cards: "Matemática" (Teoria dos conjuntos) and "Ciências da Computação" (Introdução a ciência da computação).
- Course overview:** A section with a filter set to "All (except hidden)", sorting by "Course name", and a view set to "Card". It displays two course cards: "Ciências da Computação" (Introdução a ciência da computação) and "Matemática" (Teoria dos conjuntos). A "Show 12" dropdown is visible at the bottom.
- Timeline:** A section showing "No upcoming activities due".
- Private files:** A section showing "No files available" and a link to "Manage private files...".
- Online users:** A section showing "1 online user (last 5 minutes)" and the user "Admin User".
- Latest badges:** A section showing "You have no badges to display".

What are your institution's primary modes of instruction?
analytics | modeinstruction

Face to Face
 Blended/Hybrid
 Fully Online

Default: None

What are your institution's primary modes of instruction?

Percent online
analytics | percentonline

Default: Empty

If your institution offers blended or hybrid courses, what percentage of the student work is conducted online in Moodle? Use a numeric value from 0 to 100.

What type of institution matches you best?
analytics | typeinstitution

Early childhood education ('less than primary' for educational attainment)
 Primary education
 Lower secondary education
 Upper secondary education
 Post-secondary non-tertiary education (may include corporate or community/NGO training)
 Short-cycle tertiary education (may include corporate or community/NGO training)
 Bachelor's or equivalent level
 Master's or equivalent level
 Doctoral or equivalent level

Default: None

What type of institution matches you best?

MDL-65142

Download table as PDF (new dataformat)

MDL-49399

Capture output during cron and task runs

MDL-39261

Add file support for Lesson Essay

MDL-52167

Admin setting hidden/disabled: Add the core functionality

MDL-59986

Make the external database enrolment sync a scheduled task

MDL-61537

Assignment: Annotate PDF - adding a 'rotate' button

MDL-63620

Allow creation of group conversations from the auto-create groups edit page and from the import

MDL-53623

CLI script to uninstall plugins

MDL-61767

Update user profile fields according to info send by OAuth2 authorization server

MDL-64414

Make it possible to use AND, OR in if-conditions for grade calculations

MDL-28505

Asynchronous course backup / restore

MDL-64715

Messaging: Add support for self conversations

MDL-65132

Messaging: Allow teachers to delete messages for all users within their conversations

MDL-65114

Messaging: timestamp should include days and years in main conversations list

MDL-65204

Upgrade to PHPUnit 7.5.x
